

## LOG TRUCK ROUTES 2021

### MAITAI & BROOK FORESTS

- CBD Route
- To/From Maitai Dam or Groom Creek Road

#### CBD Route

Turn Right into Nile Street  
 Turn Right into Collingwood street  
 Left into Halifax Street  
 Turn Right into Haven Road

#### Criteria for Log Transport through Nelson

Use route specified above.

The maximum speed limit through the city is 40 km/h.

Loads of short logs are to have a belly chain applied to them.

Log truck drivers are to check the security of their load before going onto public roads.

Log truck drivers are to use radios to communicate their position to avoid having two log trucks on narrower sections of road.

No log trucks are to operate through the city between 10:00 pm and 6:00 am.

No log trucks to operate on the "CBD Route" between 8:15-9:15 am and between 2:45-3:45 pm where schools are present.

Maximum speed past school zone is 30 km/h for trucks.
