

TEMPORARY ALTERNATIVE BUS ROUTE

WHEN: 17 May to – 30 July 2021

In April we let you know that Tosswill Road will be temporarily closed while we replace a stormwater pipe that crosses the road.

This closure will affect NBus route 6. Instead of travelling down Stansell Avenue and Tosswill Road, it will take a detour down Bisley Avenue to Tahunanui Drive before doing a loop via Muritai Street. Please see the map below for details.

The service will continue to operate as a 'hail and ride', meaning the bus can be waved down anywhere along the alternative route. There will be no change to the scheduled timetables while this work takes place.

We apologise for any inconvenience that this may cause. Below are some useful links for you to keep up to date with the Tosswill Road Stormwater Project:
