

## **Pioneer Crescent Closure**

*The Project has progressed positively during January and as a result the next stage of the works is fast approaching. Please refer to the below for further details.*

### **Upcoming Construction Activities**

- Installation of the 1.8m diameter Stormwater pipeline to the end point.
- Installation of a new manhole and 0.6m diameter Stormwater connection to Pioneer Cr.
- Removal of contaminated coal tar material from the trench.
- Removal of the redundant sewer pipeline.
- Reinstatement of the kerb and channel.
- Reinstatement of the road and footpath.

### **Key Information**

- The site will extend into Pioneer Crescent on Monday 13<sup>th</sup> February (shown as **RED** in the above map).
- The site will reduce in length on Friday 17<sup>th</sup> February (shown as **ORANGE** in the above map) and remain like this until the road and footpath have been reinstated in this area. This is programmed to be in late March.
- Access to Pioneer Crescent will be restricted to pedestrians only from Monday 13<sup>th</sup> February (shown as **BLUE** in the above map) with a road closure at the Hastings St / Washington Road intersection. Please ensure all vehicles are parked beyond the construction site by this date.
- Residents are asked to temporarily park elsewhere during this stage of works. A carpark within Pioneers Park has been provided as an alternative parking option.
- Access to Hastings St will be via St Vincent Street.
- Rubbish and recycling are to be brought to the kerb as normal.

If you have any questions, please contact Anthony at the below number/email.
