

Collingwood Street and Manuka Street Sewer Renewal

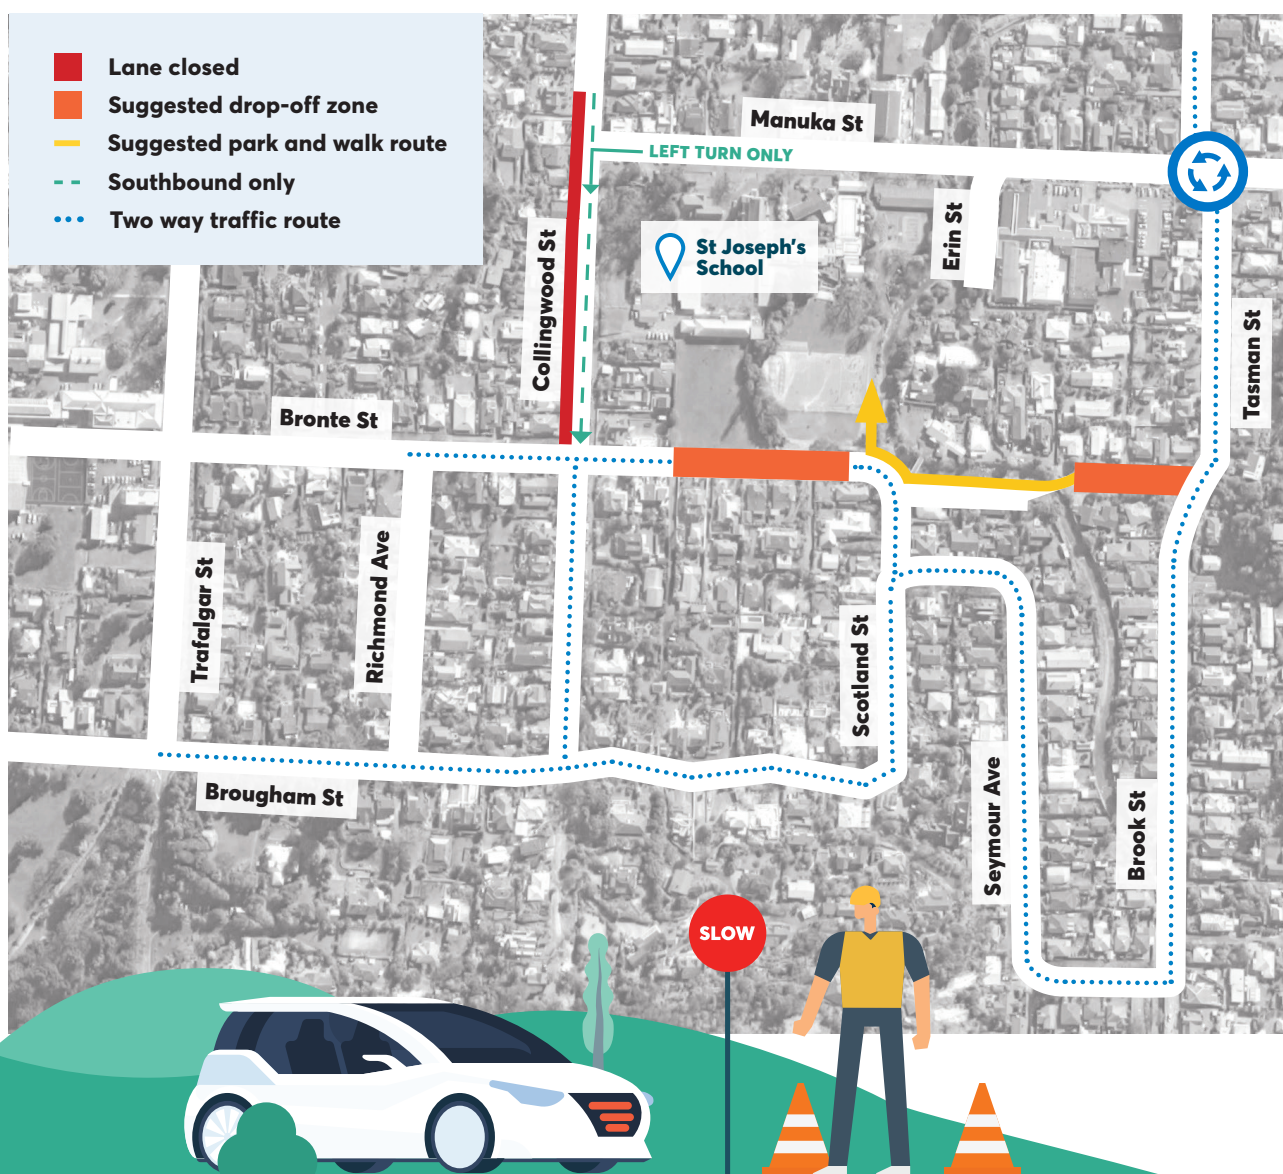

STAGE 2 WORK STARTS 31 MAY

- The clay sewer pipes along Manuka Street and Collingwood Street are over 100 years old and are being replaced.
- There is around 7 weeks remaining on this project (weather dependent).
- The next stage will require the northbound lane of Collingwood Street to remain closed. The closure will be from Bronte Street to Nile Street.

- Detours will be in place for vehicles. Pedestrian access will be available.
