28 September 2023

To the Householder

Invitation to pizza party

It's been a long and challenging project, but the Awatea Pump Station project is nearing completion.

The pump station has undergone final checks and is complete. Our contractor is now finishing the last stages of road reinstatement (putting down asphalt) and landscaping.

We expect equipment and traffic management to be removed by Friday, 6 October, when the road will reopen to normal traffic.

We know that this project has been disruptive and we thank you for your ongoing patience while we completed this vital piece of infrastructure.

You're invited

Councillor Campbell Rollo, our infrastructure team and I would like to invite you to a pizza party celebration and thank you.

Date: 7 October

Time: 12 noon

Location: Awatea Place, carpark by the pump station

I hope to see you there.

Yours sincerely,

Hon Dr Nick Smith
Mayor of Nelson
