

## WORKS NOTICE – WATERMAIN RENEWAL

### WHAT WHEN TRAFFIC

### ANNESBROOK DRIVE WATERMAIN RENEWAL FEB - MAY 2020 RESTRICTIONS WILL BE IN PLACE (DETAILS BELOW)

#### WHAT ARE WE DOING?

- Council will be replacing the water main along Annesbrook Drive.

#### WHY ARE WE DOING IT?

- The existing water main is nearing the end of its serviceable life, which has been noticeable with the number of repairs needed in the last 12 months.

#### DURATION:

- Construction is scheduled to start early February and expected to be completed at the end of May 2020.

#### TRAFFIC CONDITIONS:

- Due to the road layout along this stretch, narrow lanes, speed restrictions and a one way/stop go setup maybe needed at times.
- If access to individual properties is likely to be affected, Council and/or its Contractor will contact those properties directly to provide the relevant information.

#### FIND OUT MORE:

- Nelmac will be providing further information prior to work commencing.
