TEMPORARY ROAD CLOSURE PROPOSAL - UPDATE

This is an update to the notices previously sent regarding a proposal from Safe Traffic NZ Ltd on behalf of Mike Edridge Contracting to temporarily close Tosswill Road to ordinary traffic. This is to allow for the construction of a new stormwater pipe under the road.

Construction has been delayed to later in November due to unforeseen circumstances as well as the recent wet weather. We will notify you by letter when the new start date has been confirmed.

To help us speed up the construction phase of the project, we will carry out one further investigation requiring a road closure. This will be to confirm the location of cables and pipes under the road.

We are proposing to close the road for one day between Tosswill/Chamberlain roundabout to 41 (Stage 2 as shown on the map overleaf).

Date and Time of closure:

Friday 20 November 6am to 6pm

Advance warning signs and social media notifications will be used to reduce the volume of non-resident commuter traffic through this area.

Access to driveways for residents will be provided, however there may be some delays.

To understand how this closure could impact residents and businesses, we would welcome feedback on this proposal by Tuesday 17 November 2020.

This can be done:

In writing - Attention Joel Felber, Nelson City Council, PO Box 645, Nelson

Or Email - joel.felber@ncc.govt.nz

The decision on whether the road will be closed will be advertised on the Council's website, www.nelson.govt.nz.

Nelson City Council thanks you for your patience and understanding.

Kind regards,

Joel Felber
Project Manager
Kaiwhakahaere Kaupapa

This proposal is made in accordance with the Local Government Act 1974. Unauthorised use of vehicles on the road during the closure period is not permitted and may constitute an offence.
