## Your feedback

The objective of this proposal is to provide a people-focused, place-based vision for Whakatū Nelson over the next 30 years.

Council adopted the Six Key Moves of the City Centre Programme Plan in 2019 and over the past six months has undertaken extensive targeted community pre-engagement on this strategy. Council has a good range of views from that pre-engagement process. However, community views on this specific proposal for Te Ara ō Whakatū a 30-year vision for Nelson's city centre are now being sought.
