Indicative Baseline Development Plan

Kaka Valley is currently zoned rural and rural – higher density small holdings area. As a controlled activity the Kaka Valley rural – higher density small holdings area can be subdivided into approximately 40 properties. So long as they achieve a 1ha average, with a 5,000m² minimum size and comply with the Design Standards in NRMPs Appendix 14.

Malvern Hills and the Bayview area is currently zoned Rural. As a controlled activity this area can be subdivided into approximately 10 - 12 properties exceeding 15ha in area. The plan on this page illustrates an indicative baseline development that may occur within the PPC28 site.
