

PPC28 RMA Hearing 2022

Oral submission
Jacquetta Bell QSM

Peace & greenspace close to the city

Conservation & community work

Matai Stories

- A Nelson City Council Project.
- Interviews with older Nelson residents.

Te Mana o te Wai – health of the river must be paramount

My focus: to be a good ancestor

- Ana & Poppy at a Friends of the Maitai tree planting.

The taonga of our swimming holes

Nelson's precious green belt

- Our ancestors had forethought
- Let's be good ancestors

Flood Risk & Climate Change

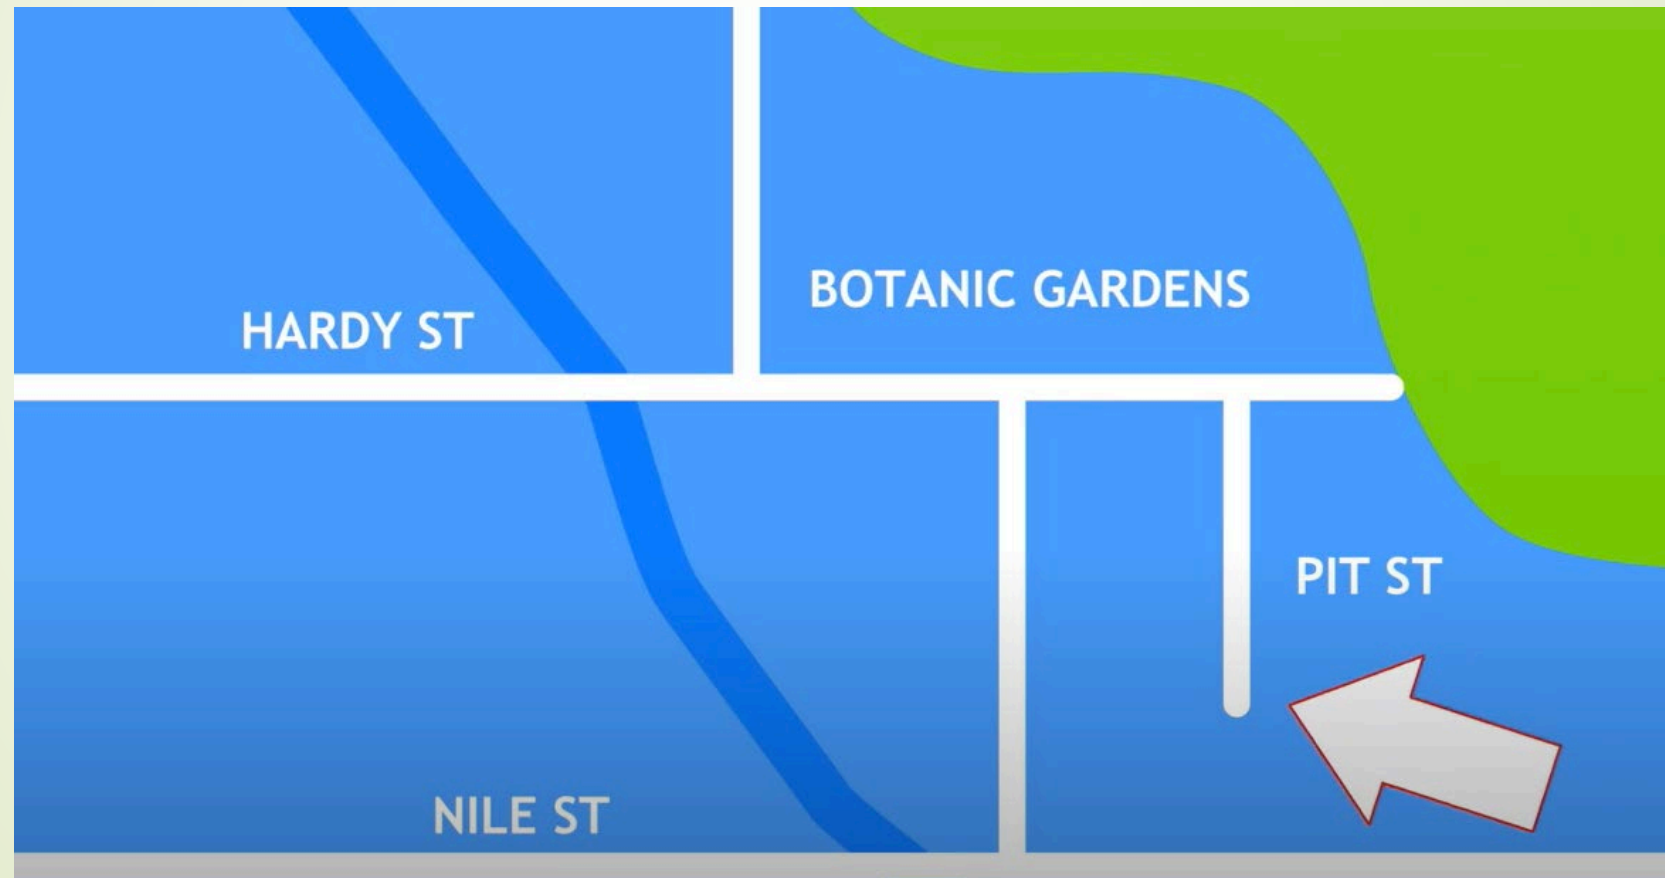

➡ Severe events are on the rise

The floods of August 1970

- Nile St in flood
- Four bridges go on Maitai
- All others undermined and requiring repair

Maitai flood 1970 – second branch flows across Botanics and through the Wood

Flood Risk & Climate Change

- Severe events are on the rise
- Properties will be uninsurable.

Carbon footprint

- Eco housing ?
- Or business as usual ?

Cost to Ratepayers

- Where is the government funding ?

Future Protection

- Hold the developers to account
- Give the public a say.

The people have not been listened to!

- 13,000 sign the petition
- 130 Submissions to NCC Annual Plan
- 645 Submissions to FDS 2022

Please protect this taonga for us all –
now and into the future.

► Thank You.
